End of an Era

We're sorry to announce that our long-time insurance broker has retired (congrats, Shelden!). Unfortunately, retiring with him is our ability to occasionally allow our equipment to be borrowed by our best customers.

But don't worry... We still got you covered!

Our in-house delivery service currently runs approximately \$20 for local deliveries and \$30 for outer areas.

We also deliver to Shaw and Lopez, although those deliveries are a little differently priced.

And on a happy note... borrow your neighbor's truck and we'll load it up for you...FREE!
